

United Presbyterian Church Jetmore, KS

FREE One Call Now Sign Up

The Session is offering a solution for improved communication for the Congregation, using the latest technology.

The company One Call Now makes it simple to keep everyone informed at the same time. Benefits include:

- **Emergency Notification**
- **Prayer Chain Information**
- **General Information / Meeting Dates**

How it works - Example: If someone needs to be added to the Prayer Chain, contact Pastor Mark or Rhonda Stithem. The message is entered into the One Call Now system. The company then sends the alert to all who submitted contact numbers and everyone receives the same notice all at once. That's It - One Call Does It All!

By January 29, 2012 - Return this form to back of the church.
